01 - BACKGROUND

→ Resident DJ and dancer at Club 69 since 2004	→ Kapital Electronic Music Festival (Ecuador) - 10,000+ people
→ Shared decks with Sam Paganini, Umek, Magda, Deborah De Luca	→ Seasons in Ibiza, Mallorca and City Hall (Barcelona)
→ Club Room (Chile), P12 (Brazil), festivals in Uruguay	→ Over two decades - from punk to techno

CAMILA DÍAZ is a DJ and multidisciplinary artist with a unique background that defines her identity behind the decks. Her training as a **dancer and actress**, combined with a broad musical spectrum, gives her exceptional versatility and floor-reading skills. Her sound: a fine fusion of house, tech-house and techno that makes every dancefloor vibrate.

Her roots run deep in punk, grunge, hip-hop and funk. That sonic richness quickly earned her a place in the Buenos Aires scene: first as resident DJ at «La Diabla» and, since 2004, as a key member of the legendary **Compañía Inestable del Club 69** (Niceto Club), where she cemented her dual role as resident DJ and dancer.

With over two decades of experience she has toured nationally and internationally, playing massive stages of over 10,000 people such as the **Kapital Electronic Music Festival** (Ecuador), Club Room (Chile), P12 (Brazil) and festivals in Uruguay. She took her talent to Europe with several seasons in **Ibiza, Mallorca and Barcelona**, where she got to play the booth of the legendary City Hall.

She has shared decks with leading names such as Infected Mushroom, Olivier Giacomotto, Sam Paganini, Magda, Umek, Kaiserdisco, Víctor Ruiz, Deborah De Luca, Daniel Portman, Adrian Hour, Diego Ro-K, Tommy Jacobs, Tomy What, Carlos Díaz, Spitfire and Romina Cohn, among others.
