DAVINA (Davina D'Onofrio Durán) is a pianist, singer, DJ, composer and producer with academic training in classical music. A DJ since 2019, she has played more than 100 events across clubs, parties and bars. What sets her apart is the hybrid format: DJ + piano, synthesizers, drum machine and live vocals. In February 2026 she released «Risetrance», her first solo release.
