01 - BACKGROUND

→ More than 100 events played since 2019

→ Hybrid format: DJ + piano, synths and live vocals

→ «Risetrance» - first solo release (February 2026)

→ First electronic act at the Teatro San Martín de Tucumán

→ Youth Olympic Games - recording with Lito Vitale

→ Sets from 1 to 5 hours: DJ, Hybrid, Live

DAVINA (Davina D'Onofrio Durán) is a pianist, singer, DJ, composer and producer, with academic training in classical music. In **2019** she started out as a DJ with CDJs, vinyl, controllers and DAWs. Since then she has played **more than 100 events** across clubs, parties and bars: Pollock Club, TCQ Club, La Boite, RAVE, Black Rabbit, La Jungla, Mr. John, Bamboleo, Rooftop de Puerto Madero, among others.

What sets her apart is the **hybrid format**: DJ + piano, synthesizers, drum machine and live vocals. From the classic DJ set to the Live set with real-time improvisation, her sets travel through **Techno**, her favourite, House, Minimal, Progressive and Psytrance, crossing atmospheric melodies with energetic rhythms.

Stages and appearances

- Youth Olympic Games — awarded a recording at Lito Vitale's studio.
- Teatro San Martín de Tucumán, bringing electronic music to its stage for the first time.
- La Voz Argentina.
- Tucumán International Piano Competition.
- Keyboardist and backing vocalist in 4 musical projects since 2018 (alternative indie rock, Pink Floyd tribute, electro-pop-lofi).

Productions

She collaborated on «Skyfall» (melodic minimal techno) with Rauda and on «A Mission» (psytrance) alongside DiaValDiv and Rauda. In **February 2026** came her first solo release: **«Risetrance»**.
